**Title:**

Dudhsagar Dairy achieves turnover of Rs.4254 crores, with 25% growth over last year

**Summary:**

Mehsana District Cooperative Milk Producers’ Union Ltd (Dudhsagar Dairy) has achieved a turnover of Rs.4254.29 crores in the financial year 2013-14, with an impressive 25% growth over the previous year. .

**Body:**

Mehsana District Cooperative Milk Producers’ Union Ltd (Dudhsagar Dairy) has achieved a turnover of Rs.4254.29 crores in the financial year 2013-14, with an impressive 25% growth over the previous year. Dudhsagar Dairy operates five dairies of which three are large dairies; Mehsana Dairy (25 lac litres per day capacity); Dudhmansagar Dairy, Manesar (10 lac litres per day); and Dudhmotisagar Dairy, Dharuhera (15 lac litres per day, expandable to 30 lac litres). There are two other dairies at Patan and Kadi with 2 lac litres each per day capacities. Besides, Dudhsagar Dairy has Cattle Feed factories at Jagudan and Ubkal, with a total installed capacity of 1450 MT per day, of which the largest is at Jagudan, having 1000 MT/per day capacity.  
(Turnover of different Plants)

(Turnover of different Plants)

(Amount in crores)

Location of Plants	Year 2012-13	Year 2013-14
Dudhsagar Dairy, Mehsana	1544.13	2071.68
Dudhmansagar Dairy, Manesar	1301.10	1319.18
Dudhmotisagar Dairy, Dharuhera	171.56	513.49
Cattle Feed Plants	389.41	349.94
Grand total	3406.20	4254.29

Dudhsagar Dairy is the largest cooperative dairy in India in terms of installed capacity. It has 50 lac litres per day capacity, expandable to 65 lac litres per day, of which 25 lac litres per day capacity is at most strategic locations at Manesar and Dharuhera, near Delhi/NCR where Amul Federation is currently marketing around 25 lac litres of milk per day in Amul-brand. However, at present, only half of GCMMF’s Delhi/NCR requirements are sourced from Dudhsagar dairies. If GCMMF sources more of their milk requirements for Delhi/NCR from our Plants at Manesar and Dharuhera, the turnover of Dudhsagar will increase significantly. It is hoped that in the coming years, our turnover will be much higher.

## ABOUT “DUDHSAGAR DAIRY”

A visionary cooperative movement, on the lines of Amul-model, initiated in Mehsana more than 50 years ago, to organize the rural milk producers to help themselves had its benefits in building a strong cooperative movement that has pooled together the resources of milk producers. We are proud to exist as a purposeful organization in the Nation building process - Enhancing the milk production capacity, providing self-employment and sustainable income generation to the rural farmers, enhancing the per capita availability of milk etc.

Today, Dudhsagar Dairy has a membership of over 5.2 lakhs dairy farmers. Its consolidated turnover in 2012-13 was Rs.3600 crores.

Dudhsagar is proud of its contributions to making India the largest milk producing nation in the world, and in the process empowering lakhs of cooperative dairy farmers of Mehsana and parts of Patan and Gandhinagar districts - socially, politically and economically.
